COMPANY OVERVIEW

About Korvanto

Korvanto LLP is a quality-focused industrial mineral supply company serving manufacturers, distributors, and industrial buyers worldwide.

Established as the export division of Shree Shakti Enterprise, Korvanto builds upon over a decade of experience in sourcing, supply chain management, logistics coordination, and customer-focused service.

Through a trusted network of manufacturing partners, Korvanto supplies specification-focused industrial minerals and raw materials to industries including foundries, ceramics, refractories, steel, construction, agriculture, paper, and specialty manufacturing.

COMPANY OVERVIEW

Our Mission

To provide reliable sourcing solutions and deliver specification-focused industrial minerals that support our customers' manufacturing success.

Our Vision

To become a trusted global partner for industrial mineral sourcing by building long-term relationships based on quality, reliability, and professional service.

WHY KORVANTO

WHY KORVANTO

Specification-Focused Supply

Delivering materials aligned with customer requirements and industrial applications.

Reliable Manufacturing Network

Access to carefully selected and established mineral producers.

Quality-Oriented Approach

Supporting product verification through specifications, samples, and documentation.

Export - Ready

Professional export coordination and shipment support.

Responsive Communication

Timely commercial and technical assistance.

Long-Term Partnership Focus

Building sustainable business relationships through consistency and reliability.

The Korvanto Promise

Specification-Focused Sourcing. Reliable Supply. Professional Export Execution.

At Korvanto, we are committed to delivering industrial minerals that align with customer requirements while supporting smooth and efficient global supply operations.

PRODUCT PORTFOLIO

PRODUCT PORTFOLIO

Industrial Minerals

Bentonite

- API & OCMA Drilling Grade
- Foundry Grade
- IOP Grade
- Civil Engineering Grade
- Pencil Grade
- Animal Feed Grade
- Fertilizer Grade
- Pond Seal Grade
- Cat Litter Grade
- Paper Grade
- Deink Grade
- Pharma Grade
- Cosmetic Grade
- Desiccant Grade
- Food Grade

Kaolin

- Crude Kaolin
- Levigated Kaolin Lumps & Noodles
- Hydrous Kaolin
- Spray Dried Kaolin
- Calcined Kaolin
- Metakaolin

Ball Clay

- Ceramics
- Refractories

Laterite

- Cement
